Re: Addendum #3 to Work Release Center Expansion, Hollywood Work Release Center, State Project
No. GL-32 (WRC), CRA Project No. 08092

Dear Mr. Bruce:

This afternoon, I received a copy of Addendum #3 addressing Section B – Instruction to Bidders that relates to Section B-11 Bid Guarantee.

I note that the revision called for in “A” does not correct our concern. The term “licensed resident agent” still is used in the Instructions. We suggest that the word “resident” should be deleted and that the instructions follow the language characterizing the agent in the applicable statute – e.g., a licensed agent who is currently appointed by the insurer.

I also note that the addition of “B” is not necessary, as Section B-12 already requires the Surety Company to have a “valid Certificate of Authority, issued by the State of Florida, Department of Insurance, authorizing it to write surety bonds in the State of Florida.”

Should you wish to talk further about this matter or if you have questions, please feel free to contact me at 202-686-3700.

Yours sincerely,

Mark H. McCallum
Chief Executive Officer
