

NASBP Affiliate

**Becoming a
NASBP Affiliate
is the smartest move
you will ever make.**

Among many exciting benefits of being a NASBP Affiliate is the opportunity to network with producer members across the U.S. and around the world!

The National Association of Surety Bond Producers is the most strategic resource in the country for all those interested in the surety bond industry.

With over 5,000 professional producers, from agencies large and small on our rolls, you will reap the benefits of networking and relationship-building as a NASBP Affiliate.

To obtain a NASBP membership application, contact **Dasha Harris** at **(240) 200-1282** or e-mail her at **dharris@nasbp.org**.

The benefits of being a NASBP Affiliate include:

- Access to industry **renowned training** and **educational forums**
- **Discounts** on NASBP events and products
- Premier industry **networking events** with top echelon industry leaders and executives—NASBP Annual Meeting & Expo and Fall Meetings
- A strong, proactive **industry voice** before legislators and regulators whose decisions impact the surety product
- Keeping informed of **current legislation** and the latest surety and construction issues that impact the surety product, your clients, and bond producers
- Confidence you are networking with reputable and passionate producers who agree to adhere to a **code of ethics**
- Virtual **seminars, podcasts, meetings** and **events**
- **Marketing opportunities** through its *NASBP Surety Pro Locator* directory, Annual Meeting & Expo, Fall Meetings, and NASBP communications
- A specific **NASBP Affiliate logo** that is approved for use on business marketing materials and your web site
- **Online career center** providing a highly targeted resource that matches bond producers, insurance agencies, brokerage firms, surety companies, and certified public accountants with the most qualified candidates
- An effective and highly visible way to **support** your agent partners
- **Educate** public officials, elected leaders, and the general public about the benefits of the surety product and the work of surety professionals
- Opportunities for new, high potential surety professionals to prepare for **leadership** positions in the Association and their organizations

“Having been in the surety industry for some 35 plus years I’m extremely impressed with the quality of representation we receive. In particular, I think the NASBP has played a pivotal role in fostering growth in the use of surety bonds and plays a crucial advocacy role at all governmental levels. I’m not aware of many industry organizations that do the high-quality job I’ve seen the NASBP do throughout my entire career!”
